your neighborhood network

VOL. AUGUST 16 2010

HELLO HOLLYWOOD

The phone rang earlier today at PATV. The National Inquirer was on the line requesting info on a popular show that use to air live on your neighborhood

network. It's not uncommon for a former producer to start their career at PATV and go on to the Big time. Paul Rust, producer of "David Mows Yards" has gone on to a hollywood movie career. Former producers have gone on to work on CNN, MSNBC and even Oprah. Who was the NI calling about earlier? We're sure you've heard his name before.
