LEARN SOMETHING NEW

Your Neighborhood Network, PATV Channel 18 is not only a fun place to volunteer on local television programs, it's also a place to learn new and interesting

skills. Workshops include video camera skills, video editing, intro to broadcast green screen studio, and animation & graphics. Best part is, once you take a PATV workshop you can check out a video camera, sign up for time to edit or make an animation on one of our computer stations, or even check out our studio. All workshops are available by appointment.
