TAKING ON THE ISSUES

With the 2010 November elections coming fast, Your Neighborhood Network has a new weekly community talk show, "Talking with Yale Cohn" to take on the biggest

local issues Iowa City is facing this election season. While HBO may have its "Real Time with Bill Maher" to discuss national and global politics, Yale's program plans to feature a panel of guests that discuss current events in Iowa City politics and media. Check PATV's website www.patv.tv for videos and program schedule.
